

2019 Summer Bean Bag League

League Details

- League will run Tuesday nights from **May 15th to August 28th**
- There will be no Bean Bag League on June 19th, Fest Week
- There will be a banquet at the end of the league with date to be determined
- Teams consist of two people, any combination of gender
- Each team must register all team members, and include phone numbers / emails
- Entry Fee \$40 per team
- Boards are available for practice starting at 6:00. League play will be at 6:30
- All teams are responsible for taking out and putting away all bean bag equipment nightly

League Rules

- Each night teams will throw a series of 3 games between two teams
- League scores will run on a 4 point scoring system. Each series consists of 3 games - you get 1 point for every game won, and the winner of the series gets a bonus point.
 - ✓ *Example:* Black wins series 2-1 in games, this gives Black 2 points for games and 1 bonus point for the series for total of 3 and Green team would get 1 point for total of 3-1 score
- If a team fails to show up for a night, they forfeit all points to their opponent
- Subs may be anyone, even from another team.
- 2, 3 or 4 bags in the hole in one round will be marked on the scorecard. These are tallied only for tiebreaker purposes at the end of season. *Subs do not count for this category.* 2 in is worth 2 points, 3 in is worth 4 points, and 4 in is worth 8 points.
 - ✓ *Example:* Team A has a season total of 23 game points. Team A has a season total of ten (2 bag), five (three bag) and one (four bag) for a total of 48 tiebreaker points. If another team also has 23 game points, the tiebreaker points would come into play

Game Play / Scoring

- Before the start of each series, there will be a coin toss to determine which team throws first, and who picks the starting position of the players. After each game players switch ends, but stay on the same side of the boards
- Each round consists of two players throwing a total of 4 bags each, alternating throws between each player
- Each player throws from behind the front of the box, standing on either side. If player steps over the front of the box, the bag is not counted.
- Bags cannot bounce or roll onto the board, they are to be immediately removed
- Points are scored when player has a bag on the box or in the hole. Bags in the hole are worth 3 points, bags on the board are worth 1 point
- Only one team can score per round, points cancel each other out
 - ✓ *Example:* Green has two bags on the board for a total of 2 points. Black has one bag in the hole and one bag on the board for a total of 4 points. $4-2=2$, so team Black gets 2 points for the round
- Games are played to 21 points. Winner is the first team to reach 21. In the case of a 21-21 tie, play continues until one team reaches a higher score than the other
- You may knock bags off the board or in the hole
- At the end of a round, bags hanging on the edge count as long as when the front of the board is lifted up the bags stay on the board
- The team scoring the most in previous round will start out the next round.
- **Score sheets will be filled out and must be turned in to the Bartender at the end of play to receive 1 free drink/team prior to the end of the night**
